

ALL-NEW FABIA HATCH

ŠKODA

It's also a car that feels expressively stylish yet impressively versatile, where zipping around the city or heading out for a longer adventure feels equally effortless. From highly efficient LED headlights to a host of elite safety systems, the all-new FABIA is packed with features that mean being comfortable while being yourself has never been easier.

Models shown are not UK specification. Some of the equipment shown is optional. Full LED rear lights will be available from mid-2022.

A DEVOTION TO DESIGN

Dynamic beauty and aerodynamic styling combine to deliver a charismatic design quite unlike any FABIA before. It also displays its sports styling loud and proud from roof to chassis, making it an exhilarating new addition to the ŠKODA line-up.

DYNAMIC EXTERIOR

With its sweeping bold lines and sharp exterior detailing, the FABIA actively encourages you to embrace your stylish side. This is a car that looks in constant motion from every angle and stirs emotion with every drive.

AERODYNAMIC STYLE

Aerodynamics have shaped every design decision from the descending roof to the angle of the windscreen. Features include aero-optimised wing mirrors and an air curtain to streamline airflow around the front bumper. Even the alloy wheels, which include Aero covers, have been designed with air resistance in mind.

AERO-TUNED DESIGN

From roof to chassis, everything on the new FABIA has been fine-tuned and aero-tuned to the highest levels of precision. The extended roof spoiler and vertical finlets help improve the car's aerodynamics, while the chassis covers reduce turbulence and enhance airflow under the car. The result is greater stability behind the wheel, and greater exhilaration on the road.

Models shown are not UK specification. Some of the equipment shown is optional. Full LED rear light and rear view camera will be available from mid-2022.

SHINE BRIGHT

The sharp, modern design of the new FABIA naturally commands attention on the road, yet there is real substance behind the style. Its optional panoramic roof* helps improve passenger wellbeing by bringing in more natural light, while the LED headlights*** boost safety.

OPTIONAL PANORAMIC ROOF**

Stretching from windscreen to roof spoiler, the optional panoramic glass roof** further enhances your travel experience by flooding the interior with natural light.

HEADLIGHTS AND FOG LAMPS

The FABIA's headlights combine crystalline design with LED technology*** to provide stylish visibility day and night. Dipped beam and dynamic indicators ensure other drivers are always aware of your actions, but never distracted by them.

Fog lamps are discretely located in the lower part of the bumper, providing the additional light you need without ever detracting from the car's sharp exterior lines.

OPTIONAL LED REAR LIGHTS*

Featuring a distinctive horizontal design, the FABIA's rear lights catch the eye without ever dazzling other drivers. All models have basic rear lights and use LEDs for reversing and fog lights. Full LED rear lights* are optional on all trims***.

Models shown are not UK specification. Some of the equipment shown is optional. * Full LED rear light and rear view camera will be available from mid-2022. ** Panoramic roof is optional on all trims and not available in combination with the Winter Package. *** High LED headlights are optional, all trims come with basic LED headlights.

SOME COMFORT ZONES DEMAND A LONGER STAY

Stepping into the new FABIA instantly feels like a complete upgrade. The reason? The spacious interior features high-quality materials throughout alongside cutting-edge tech, keeping you ahead of the curve.

DECORATIVE ELEMENTS

The FABIA's new dashboard banishes bland with eye-catching chrome details on the air ventilation and instrument panel. Currently only available on SE L trim.

AMBIENT LIGHTING**

Match the interior to your mood with ambient LED lights**. Running along the dashboard, centre console, door handles and front and rear reading, switch between white and red at the touch of a button*.

GENEROUS SPACE

Enjoy more room to relax and play in the back with the FABIA's generous knee and headroom. ISOFIX connections on rear seats also ensure younger passenger can travel safely while enjoying a full view.

VIRTUAL COCKPIT***

Say goodbye to traditional instrument dials and hello to a dynamic 10.25" digital display that keeps you up-to-speed with everything from your pace to your location. Choose from five viewing modes, which are controlled via a button on the multifunctional steering wheel.

Models shown are not UK specification. Some of the equipment shown is optional. Full LED rear lights will be available from mid-2022.
* Applies to cars with Amundsen infotainment. Without this system, ambient lighting comes in either white or red.
** Ambient lighting is optional on the Colour Edition (standard on SE L and unavailable on S or SE Comfort).
*** Virtual cockpit is optional on SE L trim (standard on Colour Edition and unavailable on S or SE Comfort).

MORE POWER TO YOU

While the all-new Fabia continues to excel in the city, with the move to more powerful engines it now lets you continue on... and on... and on in complete comfort on even the longest journeys.

ENGINES

Two three-cylinder 1.0 MPI engines are available, in either 65PS or 80PS. Looking for a little more power? Opt for a turbocharged three-cylinder TSI engine in either 95PS or 110PS. There's no right or wrong choice of course, as all offer the impressive reliability and cost-effectiveness you'd expect from a FABIA.

Models shown are not UK specification. Some of the equipment shown is optional. Full LED rear lights will be available from mid-2022.

MAKE A LASTING CONNECTION

Say goodbye to communication breakdowns on the road by being fully connected on the go. In addition to the latest entertainment and information on command, ŠKODA Connect provides the traffic, parking and roadside assistance you need, when you need it most.

NAVIGATION SYSTEM

Make light work of roadworks and traffic jams by taking advantage of the FABIA's intelligent navigation system. As well as keeping you up-to-speed with up-to-date traffic alerts, it also provides useful updates about weather conditions and visibility.

WIRELESS SMARTLINK

Enjoy the benefit of using your smartphone on the go, without ever compromising your safety with Smartlink. This clever feature enables you to wirelessly connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™.

EMERGENCY CALL

In the event of an emergency on the road, the FABIA will automatically send an SOS signal for help to give you that extra peace of mind. It can also be activated manually by pressing a red button in the roof headlining.

Images shown may not be UK specification. Some of the equipment shown is optional. Full LED rear lights will be available from mid-2022. * Online traffic Information applies to cars with Amundsen Navigation System. ** Remote Access is optional on all trims.

LIGHTBULB MOMENTS AS STANDARD

You'll notice many subtle enhancements to the effective technology we already offer. We've packed the new FABIA with journey-enhancing flashes of brilliance that all add up to heighten the enjoyment for driver and passengers alike.

KESY

The key to starting every journey in double-quick time? That'll be the optional Keyless Entry, Start and exit System (KESY)*, which allows the car to be locked, unlocked and started with a simple touch of a button. Front and boot doors can also be used to unlock or lock the car.

REAR VENTS AND USB**

Keep your passengers in the back completely comfortable and fully charged with adjustable air vents and two USB-C ports on the rear side of the front armrest.

HEATED FRONT SEATS

When it's cold out, your friends and family will appreciate the warmth inside from the heated front seats.

HEATED WINDSCREEN***

With this handy function you'll never have to scrape the windscreen again. Controlled via the infotainment, it quickly clears frost or condensation.

Models shown are not UK specification. Some of the equipment shown is optional. Full LED rear lights will be available from mid-2022.
* KESY is optional on Colour Edition and SE L.
** Two USB-C ports in rear are optional on SE L and Colour Edition (not available on S or SE Comfort) and are only available in combination with Comfort Package Plus on Colour Edition.
*** Heated windscreen is available as part of Optional Winter Package on SE L and Colour Edition (not available on S or SE Comfort).

PARK ASSIST*

Minimise the hassle of parking in tight spots with optional Park Assist. It automatically selects an appropriate parking place and safely parks in a row of parallel or perpendicularly parked vehicles.

KEEP A SAFER SAFE DISTANCE

The all-new FABIA puts comfort and safety firmly in the driving seat. Plus the passenger and rear seats too, thanks to a host of active and passive driver assistance systems.

TRAVEL ASSIST

FABIA integrates Adaptive Lane Assist with Adaptive Cruise Control (ACC) and enhances driving comfort by actively keeping the vehicle in lane and maintaining speed and distance from the vehicle ahead.

ADAPTIVE CRUISE CONTROL

Using a radar on the front grille, this feature keeps you a safe distance from the vehicle in front and enables you to maintain a constant speed without using the pedals.

TRAFFIC SIGN RECOGNITION**

Stay up-to-speed on changing speed limits with this optional intelligent system, which uses the camera in the rear-view mirror to scan traffic signs on the road before providing a handy notification. The system can also read electronic information boards, ensuring no message goes unseen.

Images shown may not be UK specification. Some of the equipment shown is optional. Full LED rear lights will be available from mid-2022. * Park Assist is available as part of the optional Park and Go Package Plus (over basic) on all trims. ** Online traffic Information is part of optional Amundsen Navigation System on SE L and Colour Edition trims (not available on S or SE Comfort).

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £355 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK CALCULATION EXAMPLE

Based on FABIA Hatch S 1.0 MPI 65 PS 5G Manual†		
P11D value		£15,665.00
Company car BiK tax based on CO ₂ emission level		27%
Taxable BiK (for 2022/2023 tax year):	27% of £15,665.00	£4,229.55
Annual company car tax (2022/23)		
20% income tax	20% of £4,229.55	£845.91
40% income tax	40% of £4,229.55	£1,691.82
Monthly company car tax (2022/23)		
20% income tax	£845.91 divided by 12 months	£70.49
40% income tax	£1,691.82 divided by 12 months	£140.99

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2022/2023.

ADDITIONAL INFORMATION

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car’s value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

T&Cs apply. ŠKODA Financial Services.

ŠKODA Gap Insurance

What is ŠKODA Gap Insurance?

If your ŠKODA is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new ŠKODA or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

ŠKODA Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your ŠKODA or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, ŠKODA Gap Insurance will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

ŠKODA Gap Insurance Plus

In addition to all the benefits of ŠKODA Gap Insurance, the ŠKODA Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, ŠKODA Gap Insurance will pay a fixed sum of £2,500.

Why choose us?

ŠKODA Gap Insurance gives you the financial protection your ŠKODA deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement ŠKODA.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about ŠKODA Gap Insurance, please speak to your nearest participating ŠKODA Retailer or go online www.insurewithskoda.co.uk/gap-insurance

ŠKODA Gap Insurance from ŠKODA Financial Services is administered by Car Care Plan Limited and underwritten by Motors Insurance Company Limited.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £396 or 24 monthly payments of £16.50. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services. Pricing effective from 1st August 2020.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your FABIA, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Roadside assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your FABIA will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC

of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

Warranty

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your FABIA also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a ŠKODA

Three-year vehicle warranty from new

First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight

adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: skoda.co.uk/owners/accessories-and-merchandise

Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2022. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see skoda.co.uk/owners/wltp-info or consult your retailer.

ŠKODA UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen ŠKODA Retailer.

ŠKODA Fabia Estate

Effective: 1st April 2022

We think you'll agree that today's FABIA is as much a joy to drive and just as relevant as when we started.

FABIA Estate is only available from stock, please speak to your **ŠKODA Retailer**. Models shown are not UK specification. Some of the equipment shown is optional.

STEAL ATTENTION ON THE ROAD

Confidence, power and balance. From the crystalline design of the headlights, the distinctive geometry of the grille to the powerfully contoured rear, the FABIA's exterior makes a first-class first impression from every angle.

Build your own

LED REAR LIGHTS

The FABIA's LED rear lights feature the iconic illuminated C-shaped design, tinted with a black edge.

PRIVACY GLASS

Designed to provide additional sun protection for passengers in the back, the tinted rear windows also add a sporty look and feel.

SIGNATURE DESIGN

The newly designed front with its dynamic 3D fins give the car a modern and dynamic look, whilst the grill cuts in at the top to drag the bonnet in giving the car an improved road presence. The honeycomb bumper gives the car a more premium feel.

LED HEADLIGHTS

The optional LED headlights adjust light intensity to provide great visibility in all situations. When oncoming traffic is detected, they automatically adjust to prevent dazzling others. Comes with front cornering fog lights.

Additional information

A GREAT DEAL OF THOUGHT AND SPACE

The interior of the FABIA is as captivating as it is inviting, with an emphasis on striking horizontal lines and fine-tuned functionality. It's highly adjustable too, from the seats, mirrors and windows to the dashboard style and upholstery colour.

REAR SEATS

With its generous leg-room and space, the FABIA ensures your passengers in the back always have plenty of room.

MULTIFUNCTION STEERING WHEEL

The attractive multifunction leather steering wheel isn't simply soft and tactile, it enables you to control the radio, trip computer and your connected smartphone.

HEIGHT ADJUSTABLE FRONT SEATS

We go to great lengths to put comfort firmly in the driving seat. Quite literally in this case, as the driver's seat can be easily adjusted to suit your height.

CLIMATE CONTROL AIR CONDITIONING

Whether keeping you cool in the summer or cosy in the winter, this electronic system provides year-round comfort. It's also fitted with a humidity sensor to reduce windscreen misting.

FABIA Estate is only available from stock, please speak to your **ŠKODA Retailer**. Models shown are not UK specification. Some of the equipment shown is optional.

CONNECTIVITY TO GO WHEREVER YOU GO

While the infotainment system instantly impresses, it truly comes alive once connected to your smartphone. This enables you to be fully online on the move, keeping you connected wherever your journey takes you. It also opens up a world of personalisation thanks to features such as SmartLink+.

STAY CONNECTED

The ŠKODA Connect system turns the FABIA into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. With Proactive Services the car will contact your ŠKODA Retailer to inform them a service is due. Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need. [Click here to go to ŠKODA Connect.](#)

SMARTLINK+

From taking calls to switching between your favourite playlists, SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™.

SWING PLUS RADIO

Take your favourite tunes on the road with the Swing Plus radio, which includes a 6.5" touchscreen, DAB, AM and FM tuners, USB connection and SD card slot. Included as standard on SE models and above.

ŠKODA SURROUND

Open road. Favourite tunes. Pure bliss. The ŠKODA Surround sound system is perfectly tuned to suit the unique space of the FABIA and includes six onboard speakers, plus a further three virtual speakers.

FABIA Estate is only available from stock, please speak to your **ŠKODA Retailer**. Images shown may not be UK specification. Some of the equipment shown is optional.

FULLY LOADED

The FABIA's always been filled with thoughtful touches that make life that little bit easier. Naturally, you'll find that remains the case with cleverly hidden extras at every turn.

TICKET HOLDER

The handy ticket holder allows you to display your parking tickets without sticking them to your window.

ICE SCRAPER

Mounted out of sight on the fuel cap, this handy ice scraper is ideal for frosty mornings.

REAR-VIEW CAMERA

Located on the boot handle, the optional rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

UMBRELLA

A spot of rain will never dampen your spirits again thanks to the umbrella located under the passengers seat.

FABIA Estate is only available from stock, please speak to your **ŠKODA Retailer**. Models shown are not UK specification. Some of the equipment shown is optional.

LOOKING OUT FOR THOSE INSIDE

We're forever focused on customer safety and comfort. It's why in a car that can seat up to five passengers, six airbags are equipped as standard. You'll also find a host of active and passive driver assistance systems that help to provide extra protection at all times.

FRONT ASSIST

Using a radar in the front bumper this system provides an audio and visual signal to warn of an impending collision. If the driver fails to respond, the system initiates braking to minimise any possible impact.

THIRD REAR HEADREST

If full carloads are the rule rather than the exception, the option of a third headrest in the middle seat will be welcomed by all rear passengers.

DRIVER FATIGUE SENSOR

This optional intelligent safety feature evaluates data from the power steering sensors to detect driver fatigue. The moment any tiredness is detected, the trip computer display warns the driver to take a break.

LIGHT AND RAIN SENSOR

Featuring integrated sensors which detect light and rain. When auto functions are selected the rain sensor automatically switch the wipers on and off depending on rain intensity and the light sensors will switch on low beam lights when the surrounding light intensity drops below a certain threshold.

YOUR FABIA, YOUR WAY

From roof racks, mudflaps and mats to the latest tech and alloy wheels, our range of FABIA accessories are designed to protect your pride and joy and add that special finishing touch.

ROOF BOX AND ROOF BARS
By using the roof box in conjunction with our aluminium roof bars, you solve a common problem when transporting large, awkward objects such as skis, snowboards, pushchairs and golf bags that don't fit into the luggage compartment of a fully seated car. With its spacious 380 litres of volume, it can comfortably carry up to 120 kg in total stability.

LOCKABLE BICYCLE HOLDER WITH ALUMINIUM PROFILE
Providing secure transport for your bicycle, the aluminium profile bicycle rack makes it easy to mount and secure your bicycle to the roof of your car. With its unique design and high-quality workmanship, the rack protects your bicycle and can also be locked to provide better protection against theft.

MULTIMEDIA HOLDER AND ADAPTER
This clever holder allow tablets between 115 and 195mm to be viewed both vertically and horizontally. It can also be tilted forwards, backwards or sideways by up to 30° and can be rotated 360°, making versatile viewing for your rear passengers.

PLASTIC BOOT DISH AND PARTITION
This lightweight, durable thermoplastic dish fits perfectly into the boot area and protects it from moisture, dirt and damage. If the dish does get wet or dirty it can easily be taken out and cleaned – perfect if you lead an active lifestyle. Inserting aluminium inserts also helps create smaller compartments meaning less chance of items sliding around.

REAR SEAT PROTECTION AND DOG SAFETY BELT
Forget worrying about the cleanliness of your car, particularly when transporting your pet. This easy-to-clean seat protector is sufficiently sized to cover the back seats. It is waterproof, washable and has an anti-slip treatment for your pet's safety. The safety belt keeps your dog safe and is available in a variety of sizes.

PROTECTION PACK

A walk in the woods or a day at the beach – it's great for the soul but not for your interior. Protect your FABIA and save money with our Protection Pack. The pack includes front and rear mudflaps, double-sided boot liner and textile or rubber floor mats – all for a special pack price.

MUDFLAPS
Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

RUBBER BOOT MAT
This fits perfectly onto the floor cushion of your car, protecting your boot from dirty shoes, sports equipment, gardening materials etc. It is easily removed for quick cleaning - perfect for keeping your boot space immaculate for as long as possible.

FLOOR MATS
These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. They come in textile fabric but rubber versions are also available for the more outdoorsy types.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £335 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK CALCULATION EXAMPLE

Based on Fabia Estate SE 1.0 TSI 95PS Manual [†]		
P11D value		£18,400.00
Company car BiK tax based on CO ₂ emission level		29%
Taxable BiK (for 2022/2023 tax year):	29% of £18,400.00	£5,336.00
Annual company car tax (2022/23)		
20% income tax	20% of £5,336.00	£1,067.20
40% income tax	40% of £5,336.00	£2,134.40
Monthly company car tax (2022/23)		
20% income tax	£1067.20 divided by 12 months	£88.93
40% income tax	£2134.40 divided by 12 months	£177.87

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2022/2023.

ADDITIONAL INFORMATION

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car’s value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

T&Cs apply. ŠKODA Financial Services.

ŠKODA Gap Insurance

What is ŠKODA Gap Insurance?

If your ŠKODA is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new ŠKODA or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

ŠKODA Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your ŠKODA or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, ŠKODA Gap Insurance will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

ŠKODA Gap Insurance Plus

In addition to all the benefits of ŠKODA Gap Insurance, the ŠKODA Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, ŠKODA Gap Insurance will pay a fixed sum of £2,500.

Why choose us?

ŠKODA Gap Insurance gives you the financial protection your ŠKODA deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement ŠKODA.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about ŠKODA Gap Insurance, please speak to your nearest participating ŠKODA Retailer or go online www.insurewithskoda.co.uk/gap-insurance

ŠKODA Gap Insurance from ŠKODA Financial Services is administered by Car Care Plan Limited and underwritten by Motors Insurance Company Limited.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £396 or 24 monthly payments of £16.50. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services. Pricing effective from 1st August 2020.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your FABIA, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA Retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

ŠKODA CONNECT AND OTHER DIGITAL SERVICES IN YOUR POCKET

Driving your ŠKODA isn't just about driving. It's the functions, the features, and the personal touches that add up to a brilliant experience. It's the music you play on the way to your destination. It's the security of knowing that great support is never more than a few taps away. Your ŠKODA vehicle is your everyday companion – and thanks to MyŠKODA application you can go even further in interaction with your vehicle. Use the application to remotely check the status of the vehicle, lock or unlock it, or display its parking position. Benefit from statistical insights into your last trip, and use them to plan a more efficient route next time. It offers also insight to the vehicle manual, quick tips for using the vehicle and its accessories or possibility to interact with your preferred service partner, with a number of further functions just waiting to be explored. With MyŠKODA application in place, your car remains under your control at all times. The application is available for download on App Store (iOS) and Google Play (Android). ŠKODA Connect features are available based on ordered service bundle: Infotainment Online or Care Connect.

COMFORT AND PRACTICALITY

The front and rear mud flaps protect the lower areas of the vehicle body from dirt and damage caused by stones and debris striking them. Mud flaps are useful especially in winter, when the corrosive salt that is spread on the roads generally sticks to the mud flaps rather than to the vehicle body.

Practical and stylish footrest, "Lounge Step" is completely in line with the interior design of your vehicle while increasing the travelling comfort of the user's legs and feet.

PANORAMIC ROOF SUN SHADE

The panoramic roof is a popular feature that makes the interior light and airy. However, there are times when the car's occupants will appreciate something to block out the light from above – when the sun is beating down a bit too harshly, for example.

This is why ŠKODA Genuine Accessories offer a practical sun shade. And when it's not needed, it can simply be folded up and stored in a net under parcel shelf.
