

SCALA

ŠKODA

Effective: 1st April 2022

The SCALA strikes just the right balance between boldly new and timeless. Its taut, sophisticated five-door profile encompasses a host of unique new features and intuitive technology. Sporty, generously spacious and versatile, it adapts to go wherever life takes you. Unmistakably ŠKODA yet fresh from bumper to bumper, the SCALA moves you seamlessly into the next era.

INNER STRENGTHS

The inside story is inspiring. Bright, airy, spacious and a quality feel are ŠKODA trademarks, but there is much more to explore. New tactile trim and materials are complemented by next-generation driver assistance, comfort and safety systems – while ambient lighting creates a subtle welcome. Once inside, the Virtual Cockpit incorporates a host of online services, extra functionality and plenty of scope for personalisation. More than ever, this is your space.

VIRTUAL COCKPIT

10.25" digital display replaces the traditional instrument dials and can be customised with five views (Classic, Basic, Extended, Modern and Sport).

AMBIENT LIGHTING

Tailor your space to be more comfortable with subtle ambient lighting running along the dashboard.

CLIMATE CONTROL AIR CONDITIONING

Whether keeping you cool in the summer or cosy in the winter, this electronic system provides year-round comfort. It's also fitted with a humidity sensor to reduce windscreen misting.

REAR PASSENGER COMFORT

The knee and head room in the rear is exceptional, and includes heated rear seats that are regulated by a separate control on the rear side of the front armrest. Two USB-C slots enable convenient universal media charging.

Models shown are not UK specification. Some of the equipment shown is optional.

EAGER AND EFFICIENT

Every option in the SCALA engine range brings you a balance of strengths. So whether you go for our petrol or diesel version, you'll enjoy refined accessible power and real efficiency.

DRIVE MODE SELECT

Allows you to select the car's parameters and behaviour featuring Normal, Sport and Eco mode, plus Individual mode to truly meet all your needs.

DIRECT SHIFT GEARBOX (DSG)

The seven-speed DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

SPORT CHASSIS CONTROL

A system of adjustable shock absorbers to improve ride and handling. With Normal mode for everyday travelling and long journeys, and Sport mode which improves the road grip in more dynamic driving conditions.

Models shown are not UK specification. Some of the equipment shown is optional.

THE WORLD AT YOUR FINGERTIPS

Connectivity shouldn't stand still – it should go wherever you go. With ŠKODA Connect you're fully online all the time, with easy access to a world of entertainment, useful information and 24/7 assistance. Making the best use of your connectivity is simple, with touch or gesture. Everything helps to forge an even closer bond between driver and car.

STAY CONNECTED

The new ŠKODA Connect system turns the SCALA into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. [Click here to go to ŠKODA Connect.](#)

CAR

SMARTLINK

From taking calls to switching between your favourite playlists, SmartLink enables you to safely use your smartphone through the infotainment system.

NAVIGATION SYSTEM

The Amundsen satellite navigation system with 9.2" colour touchscreen display will happily get you from A to B, but why stop there? With its Bluetooth®, DAB and SmartLink capability, it offers more connectivity on the go.

INFOTAINMENT

The SCALA features the latest generation of infotainment system offering greater connectivity and personalisation than any other ŠKODA, allowing you to set your favourites for easy access every time.

Images shown may not be UK specification. Some of the equipment shown is optional.

ELECTRICALLY OPERATED BOOT

The boot can be opened and closed at will with a quick touch of a button on the remote control or in the driver's door. A button for closing the boot is also located on the boot door itself.

IT'S ALL IN THE DETAIL

Thoughtful, simple details count. So we've added a whole host of them to the SCALA. These are the features that make everyday trips and longer journeys effortless. There are lots of optional touches to choose from too – covering entertainment, communication, storage and much more.

UMBRELLA STORAGE

A spot of rain will never dampen your spirits again thanks to the umbrella located in the driver's door.

ICE SCRAPER

Mounted out of sight inside the fuel cap, this handy ice scraper is ideal for those frosty mornings.

REAR-VIEW CAMERA

Hidden under the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

ELECTRICALLY FOLDING TOW BAR

Activated by a switch in the boot, the KAROQ's foldable tow bar ensures it is safely hidden when not required.

Models shown are not UK specification. Some of the equipment shown is optional.

SAFE TO THE CORE

The safety of you and your passengers is built into every part of the SCALA. It starts at the very heart of the car – with a strong, rigid body, a finely tuned chassis and carefully designed crumple zones. We’ve added a range of clever electronic features and advanced driver assistance technology, so everyone on-board enjoys reassuringly advanced protection.

HIDDEN PROTECTION

Cleverly concealed under the steering wheel column, the knee airbag is designed to protect your joints and shins in the event of a collision. This ingenious safety feature is available as an option on S, SE and SE L models.

AUTO LIGHT ASSIST

Automatically turns the full beam on and off depending on the current lighting conditions and traffic.

ADAPTIVE CRUISE CONTROL

Adapt your speed automatically with Adaptive Cruise Control, which uses the radar in the front grille to maintain a constant distance from the vehicle in front at speeds of 15mph or more.

REAR PARKING SENSORS

The sensors integrated in the rear bumper monitor the car’s distance from any obstacles. Acoustic and visual signals are activated when parking or prompted by the driver.

LANE ASSIST

This system is designed to keep the vehicle in its lane and, if necessary, alert the driver of an unwanted lane change.

Images shown may not be UK specification. Some of the equipment shown is optional.

A side-profile view of a bright blue Ford Focus parked on a light-colored paved surface. The car is angled slightly towards the right. The image shows the front door, rear door, and the rear quarter panel. The car has a sleek, aerodynamic design with a black roof rack. The wheels are multi-spoke alloy rims. The background is a plain, light-colored wall.

A close-up photograph of a red car door hinge and latch mechanism. The door is open, showing the internal components, including the hinge pins, latch, and weatherstripping. The car's body is a vibrant red, and the interior panel visible through the door is a light beige color.

Additional information

SCALA MONTE CARLO

A celebration of ŠKODA's success at the legendary Monte Carlo Rally, this premium level combines luxury and glamour with pulse-racing sports styling. The meticulous design touches and high-quality materials make the Monte Carlo truly stand out from the crowd and give you that lively motorsport feeling.

Models shown are not UK specification. Some of the equipment shown is optional. Information regarding tyre technical specifications can be found by visiting the ŠKODA car configurator [here](#).

VIRTUAL COCKPIT

LEATHER DETAILING

STYLISH INTERIOR

The car features front sports seats, red/black upholstery and instrument panel in our exclusive Monte Carlo design. The standard equipment also includes a 3-spoke multifunctional sports steering wheel in black perforated leather with red stitching.

STANDARD EQUIPMENT (OVER SE L)

> PANORAMIC GLASS ROOF
Expand your feeling of freedom with the panoramic glass roof, part of Monte Carlo's exterior design pack, also featuring extended tailgate glass, black rear spoiler and full LED front and rear lights.

> AMUNDSEN SATELLITE NAVIGATION WITH 9.2" GLASS COLOUR TOUCHSCREEN WITH WEB RADIO
State of the art infotainment, with a display positioned high up on the dashboard, in the driver's immediate field of view.

> VIRTUAL COCKPIT
Put all the information you need right in front of your eyes with the customisable 10.25" digital display.

> LEATHER DETAILING
The gear stick sleeve and handbrake handle, in black leather with red stitching, perfectly complement the stylish interior.

Models shown are not UK specification. Some of the equipment shown is optional. Information regarding tyre technical specifications can be found by visiting the ŠKODA car configurator [here](#).

An aerial photograph of a two-lane highway with a grassy embankment on the left. A grey sedan is in the left lane, and a blue hatchback is in the right lane. Between them, a series of overlapping semi-circular waves are depicted: red waves emanate from the rear of the grey car, and blue waves emanate from the front of the blue car. These waves represent sensor beams like radar or lidar used for autonomous driving. A speed limit sign is visible on the left shoulder.

A close-up photograph of the front left corner of a red car. The image shows the headlight assembly, which is illuminated with a bright orange-red glow. Above the headlight, there are two small, circular black marks on the red body panel. The car's body is a vibrant red color, and the background is dark and out of focus.

A close-up photograph of a circular engine start button. The button has a dark, textured center with the words "START", "ENGINE", and "STOP" arranged vertically in a white, sans-serif font. The button is surrounded by a metallic, brushed metal ring. The background is dark and out of focus.

Pricing valid as of 1st April 2022.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2022. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2022.

From 6 April 2020, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

Information regarding tyre technical specifications can be found by visiting the ŠKODA car configurator [here](#).

YOUR SCALA, YOUR WAY

From stylish extras that make ordinary trips feel extraordinary, to practical touches that ensure nothing gets left behind, it's your call to make.

USB C ADAPTOR

Enables you to connect your phone via USB A. Designed to be small and compact, this USB C adaptor can be used for both data transfer and charging.

ROOF RACK

Designed to perfectly fit your ŠKODA, the roof rack maximises space when you need it most. Features a secure locking mechanism and two keys.

NEXTBASE 522GW DASH CAM AND GO PACK

Recording in 1440p HD, the new Nextbase 522GW Dash Cam now packs even more features into the UK's most popular dash cam brand, including built-in Amazon Alexa, HD touchscreen and Intelligent park mode - which begins recording when any physical vehicle movement is detected, keeping your SCALA safe when parked.

LOCKABLE BICYCLE RACK

Have no excuse not to get out and ride. Our lockable bicycle rack provides a secure way of transporting your bike from A to B.

PROTECTION PACK

Muddy boots. Sand-filled towels. Soggy bike gear. Escaping for adventure may be great for the soul, but it's far less kind on your interior. It's why we've created our Protection Pack, which includes front and rear mudflaps, double-sided boot liner and textile or rubber floor mats – all for a special pack price.

MUDFLAPS

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

DOUBLE-SIDED BOOT LINER

No matter how mucky things get, it's good to know that there's a boot liner to match it. This clever liner comes with an all-weather texture on one side with a textile reverse. They're quick to fit and remove, and all come with a 5cm raised edge to keep in dirt and make mucky boots a thing of the past.

FLOOR MATS

These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. They come in textile fabric but rubber versions are also available for the more outdoorsy types.

VED (VEHICLE EXCISE DUTY)

FROM 1ST APRIL 2022

VED BAND*	CO ₂ (g/km)	Petrol car/diesel car* (tax class 48 and 49) 12 months	Diesel car** (tax class 49) 12 months	Alternative fuel car (tax class 59) 12 months
A	0	£0	£0	£0
B	1-50	£10	£25	£0
C	51-75	£25	£120	£15
D	76-90	£120	£150	£110
E	91-100	£150	£170	£140
F	101-110	£170	£190	£160
G	111-130	£190	£230	£180
H	131-150	£230	£585	£220
I	151-170	£585	£945	£575
J	171-190	£945	£1,420	£935
K	191-225	£1,420	£2,015	£1,410
L	226-255	£2,015	£2,365	£2,005
M	over 255	£2,365	£2,365	£2,355

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £355 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK CALCULATION EXAMPLE

Based on SCALA S 1.0 TSI 95PS		
P11D value		£18,470.00
Company car BiK tax based on CO ₂ emission level		28%
Taxable BiK (for 2022/2023 tax year):	28% of £18,470.00	£5,171.60
Annual company car tax (2022/23)		
20% income tax	20% of £5,171.60	£1,034.32
40% income tax	40% of £5,171.60	£2,068.64
Monthly company car tax (2022/23)		
20% income tax	£1,034.32 divided by 12 months	£86.19
40% income tax	£2,068.64 divided by 12 months	£172.39

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2022/2023.

ADDITIONAL INFORMATION

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car’s value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

T&Cs apply. ŠKODA Financial Services.

ŠKODA Car Insurance

Complimentary ŠKODA Drive Away Insurance

Every new and Approved Used ŠKODA comes with five days’ complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. ŠKODA Drive Away Insurance is designed specifically for your ŠKODA and guarantees that your car will be repaired in a ŠKODA Approved Repairer. Speak to your ŠKODA Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits ŠKODA Car Insurance offers.

Read on for more details.

ŠKODA Car Insurance

ŠKODA Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your ŠKODA. Just as you’d expect from ŠKODA, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with ŠKODA and relax knowing we only use ŠKODA trained technicians, who know your car inside out, and ŠKODA genuine parts*, giving you the peace of mind that your ŠKODA will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a ŠKODA driver.

Get a quote or find out more at [insurewithskoda.co.uk/car-insurance](https://www.insurewithskoda.co.uk/car-insurance)

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

ŠKODA Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

ŠKODA Gap Insurance

What is ŠKODA Gap Insurance?

If your ŠKODA is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new ŠKODA or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

ŠKODA Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your ŠKODA or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, ŠKODA Gap Insurance will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

ŠKODA Gap Insurance Plus

In addition to all the benefits of ŠKODA Gap Insurance, the ŠKODA Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, ŠKODA Gap Insurance will pay a fixed sum of £2,500.

Why choose us?

ŠKODA Gap Insurance gives you the financial protection your ŠKODA deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement ŠKODA.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about ŠKODA Gap Insurance, please speak to your nearest participating ŠKODA Retailer or go online www.insurewithskoda.co.uk/gap-insurance

ŠKODA Gap Insurance from ŠKODA Financial Services is administered by Car Care Plan Limited and underwritten by Motors Insurance Company Limited.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). VWFS UK is not part of the same corporate group as Car Care Plan Limited and Motors Insurance Company Limited.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £396 or 24 monthly payments of £16.50. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services. Pricing effective from 1st August 2020.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your SCALA, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

ADDITIONAL INFORMATION – CONTINUED

Roadside assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your SCALA will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC

of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

Warranty

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your SCALA also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a ŠKODA

Three-year vehicle warranty from new

First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight

adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: skoda.co.uk/owners/accessories-and-merchandise

Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2022. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see skoda.co.uk/owners/wltp-info or consult your Retailer.

ŠKODA UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen ŠKODA Retailer.

Pricing valid as of 1st April 2022.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2022. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2022.

From 6 April 2020, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

Information regarding tyre technical specifications can be found by visiting the ŠKODA car configurator **here**.

VED (VEHICLE EXCISE DUTY)

FROM 1ST APRIL 2022

VED BAND*	CO ₂ (g/km)	Petrol car/diesel car* (tax class 48 and 49) 12 months	Diesel car** (tax class 49) 12 months	Alternative fuel car (tax class 59) 12 months
A	0	£0	£0	£0
B	1-50	£10	£25	£0
C	51-75	£25	£120	£15
D	76-90	£120	£150	£110
E	91-100	£150	£170	£140
F	101-110	£170	£190	£160
G	111-130	£190	£230	£180
H	131-150	£230	£585	£220
I	151-170	£585	£945	£575
J	171-190	£945	£1,420	£935
K	191-225	£1,420	£2,015	£1,410
L	226-255	£2,015	£2,365	£2,005
M	over 255	£2,365	£2,365	£2,355

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £355 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK CALCULATION EXAMPLE

Based on SCALA SE TECHNOLOGY 1.0 TSI 95PS		
P11D value		£20,325.00
Company car BiK tax based on CO ₂ emission level		28%
Taxable BiK (for 2022/2023 tax year):	28% of £20,325.00	£5,691.00
Annual company car tax (2022/23)		
20% income tax	20% of £5,691.00	£1,138.20
40% income tax	40% of £5,691.00	£2,276.40
Monthly company car tax (2022/23)		
20% income tax	£1,138.20 divided by 12 months	£94.85
40% income tax	£2,276.40 divided by 12 months	£189.70

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2022/2023.

Please note, in some instances it is not possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your Retailer to confirm the exact towing eligibility.

Information regarding tyre technical specifications can be found by visiting the ŠKODA car configurator [here](#).

* Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2022. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see [skoda.co.uk/owners/wltp-info](https://www.skoda.co.uk/owners/wltp-info) or consult your retailer.

** Please note, it is not possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory.

OCTAVIA iV – PLUG INTO THE FUTURE

Enjoy the dynamism and efficiency of a plug-in hybrid with the OCTAVIA iV. Available on SE L and vRS trims. There is no longer a need to compromise between performance and sustainability.

 Build your own

CHARGING

The socket situated on the front left wing allows the electrical engine to be charged with ease. When charging at home with a wallbox or at a public charging station, an empty battery can be fully charged in five hours.

CABLE COMPARTMENT

No need to think about where to store the charging cables. A bespoke compartment, in the boot of the car, provides plenty of room for both the fast charging cable and home charging cable.

DRIVE MODE SELECT

A choice of settings to suit all conditions and driving styles; SPORT mode provides the maximum power output of 204PS (245PS for vRS iV), whilst in E-mode, the ŠKODA OCTAVIA iV is powered exclusively by the battery. In HYBRID mode, the electronics optimise the balance between the petrol engine and the electric motor.

iV VIRTUAL COCKPIT

Put all the information you need right in front of your eyes with the customisable 10.25" display. Replacing the traditional instrument dials, the screen can be customised with five views (Classic, Basic, Extended, Modern and Sports)..

Models shown are not UK specification. Some of the equipment shown is optional.

CONNECT WITH iV FOR EVEN MORE CONTROL

OCTAVIA iV takes ŠKODA Connect to another level with added functionality aimed specifically at our first plug-in hybrid and it's advanced systems.

CHARGING STATIONS

Charging stations are easily located with the iV's upgraded navigation system. Latest information about prices, charger types and parameters concerning electricity – all at your fingertips.

REMOTE CHARGING

You can also control battery charging from the comfort of your own home. With the vehicle plugged into the mains, a tap of your smart phone screen can start or finish the process. The battery's current state of charge is also displayed on the screen.

REMOTE AIR CONDITIONING AND DEPARTURE PLANNER

With Remote Air Conditioning, you can cool the vehicle interior prior to any journey. You can also schedule for the car to be air conditioned at a specific time. The departure planner lets you check the battery level and set the time of charging.

Models shown are not UK specification. Some of the equipment shown is optional.

Pricing valid as of 1st April 2022.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2022. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2022.

** Available from stock only.

From 6 April 2020, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

Information regarding tyre technical specifications can be found by visiting the ŠKODA car configurator [here](#).

M	over 255	£2,365	£2,365	£2,355

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £355 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK CALCULATION EXAMPLE

Based on OCTAVIA SE TECHNOLOGY 1.0 TSI 110PS HATCH		
P11D value		£23,345.00
Company car BiK tax based on CO ₂ emission level		28%
Taxable BiK (for 2022/2023 tax year):	28% of £23,345.00	£6,536.60
Annual company car tax (2022/23)		
20% income tax	20% of £6,536.60	£1,307.32
40% income tax	40% of £6,536.60	£2,614.64
Monthly company car tax (2022/23)		
20% income tax	£1,307.32 divided by 12 months	£108.94
40% income tax	£2,614.64 divided by 12 months	£217.89

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2022/2023.

Figures for the ŠKODA range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2022.

* Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see [skoda.co.uk/owners/wltp-info](https://www.skoda.co.uk/owners/wltp-info) or consult your retailer.

Please note, if a tow bar or tow bar preparation is not fitted on the car, the VIN plate may not show any towing weights and the car will never be eligible for towing. As such it may not be possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your

** Retailer to confirm the exact towing eligibility.

SUPERB iV – PLUG INTO THE FUTURE

The SUPERB iV is ŠKODA's first plug-in hybrid, uniting innovative electric drive technology with the iconic design now synonymous with the SUPERB name. Available across SE L, SportLine Plus and Laurin & Klement trim levels.

CHARGING

The socket situated behind the grille allows the electrical engine to be charged with ease. When charging at home with a wallbox or at a public charging station an empty battery can be fully charged in five hours.

CABLE COMPARTMENT

No need to think about where to store the charging cables. A bespoke compartment, in the boot of the car, provides plenty of room for both the fast charging cable and home charging cable.

DRIVE MODE SELECT

A choice of settings to suit all conditions and driving styles; SPORT mode provides the maximum power output of 218PS, whilst in E-mode, the ŠKODA SUPERB iV is powered exclusively by the battery. In HYBRID mode, the electronics optimise the balance between the petrol engine and the electric motor.

CONNECT WITH iV FOR EVEN MORE CONTROL

SUPERB iV takes ŠKODA Connect to another level with added functionality aimed specifically at our first plug-in hybrid and it's advanced systems.

CHARGING STATIONS

Charging stations are easily located with the iV's upgraded navigation system. Latest information about prices, charger types and parameters concerning electricity – all at your fingertips.

REMOTE CHARGING

You can also control battery charging from the comfort of your own home. With the vehicle plugged into the mains, a tap of your smart phone screen can start or finish the process. The battery's current state of charge is also displayed on the screen.

REMOTE AIR CONDITIONING AND DEPARTURE PLANNER

With Remote Air Conditioning, you can cool the vehicle interior prior to any journey. You can also schedule for the car to be air conditioned at a specific time. The departure planner lets you check the battery level and set the time of charging.

Models shown are not UK specification. Some of the equipment shown is optional.

Pricing valid as of 1st April 2022.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2022. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2022.

From 6 April 2020, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

Information regarding tyre technical specifications can be found by visiting the ŠKODA car configurator [here](#).

STANDARD EQUIPMENT – SUPERB iV SE TECHNOLOGY (OVER SE TECHNOLOGY)

EXTERIOR

VED (VEHICLE EXCISE DUTY)

FROM 1ST APRIL 2022

VED BAND*	CO ₂ (g/km)	Petrol car/diesel car* (tax class 48 and 49) 12 months	Diesel car** (tax class 49) 12 months	Alternative fuel car (tax class 59) 12 months
A	0	£0	£0	£0
B	1-50	£10	£25	£0
C	51-75	£25	£120	£15
D	76-90	£120	£150	£110
E	91-100	£150	£170	£140
F	101-110	£170	£190	£160
G	111-130	£190	£230	£180
H	131-150	£230	£585	£220
I	151-170	£585	£945	£575
J	171-190	£945	£1,420	£935
K	191-225	£1,420	£2,015	£1,410
L	226-255	£2,015	£2,365	£2,005
M	over 255	£2,365	£2,365	£2,355

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £355 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK CALCULATION EXAMPLE

Based on SUPERB SE TECHNOLOGY 1.5 TSI 150PS ACT HATCH		
P11D value		£28,675.00
Company car BiK tax based on CO ₂ emission level		32%
Taxable BiK (for 2022/2023 tax year):	32% of £28,675.00	£9,176.00
Annual company car tax (2022/23)		
20% income tax	20% of £9,176.00	£1,835.20
40% income tax	40% of £9,176.00	£3,670.40
Monthly company car tax (2022/23)		
20% income tax	£1,835.20 divided by 12 months	£152.93
40% income tax	£3,670.40 divided by 12 months	£305.87

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2022/2023.

ADDITIONAL INFORMATION

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car’s value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

T&Cs apply. ŠKODA Financial Services.

ŠKODA Car Insurance

Complimentary ŠKODA Drive Away Insurance

Every new and Approved Used ŠKODA comes with five days’ complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. ŠKODA Drive Away Insurance is designed specifically for your ŠKODA and guarantees that your car will be repaired in a ŠKODA Approved Repairer. Speak to your ŠKODA Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits ŠKODA Car Insurance offers.

Read on for more details.

ŠKODA Car Insurance

ŠKODA Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your ŠKODA. Just as you’d expect from ŠKODA, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with ŠKODA and relax knowing we only use ŠKODA trained technicians, who know your car inside out, and ŠKODA genuine parts*, giving you the peace of mind that your ŠKODA will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a ŠKODA driver.

Get a quote or find out more at [insurewithskoda.co.uk/car-insurance](https://www.insurewithskoda.co.uk/car-insurance)

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

ŠKODA Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

ŠKODA Gap Insurance

What is ŠKODA Gap Insurance?

If your ŠKODA is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new ŠKODA or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

ŠKODA Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your ŠKODA or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, ŠKODA Gap Insurance will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

ŠKODA Gap Insurance Plus

In addition to all the benefits of ŠKODA Gap Insurance, the ŠKODA Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, ŠKODA Gap Insurance will pay a fixed sum of £2,500.

Why choose us?

ŠKODA Gap Insurance gives you the financial protection your ŠKODA deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement ŠKODA.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about ŠKODA Gap Insurance, please speak to your nearest participating ŠKODA Retailer or go online www.insurewithskoda.co.uk/gap-insurance

ŠKODA Gap Insurance from ŠKODA Financial Services is administered by Car Care Plan Limited and underwritten by Motors Insurance Company Limited.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). VWFS UK is not part of the same corporate group as Car Care Plan Limited and Motors Insurance Company Limited.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £396 or 24 monthly payments of £16.50. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services. Pricing effective from 1st August 2020.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your SE Technology model, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

ADDITIONAL INFORMATION – CONTINUED

Roadside assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your SE Technology model will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC

of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

Warranty

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your SE Technology model also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a ŠKODA

Three-year vehicle warranty from new

First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets

and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: skoda.co.uk/owners/accessories-and-merchandise

Figures for the ŠKODA range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2022. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see skoda.co.uk/owners/wltp-info or consult your Retailer.

ŠKODA UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen ŠKODA Retailer.

SCALA

GENUINE ACCESSORIES

ŠKODA

Effective February 2021

THE NEW ŠKODA SCALA. DON'T SETTLE FOR LESS.

A new perspective. A new kind of drive. The elegance and innovation you've come to expect from ŠKODA, made brand new.

With the ŠKODA SCALA every detail has been reexamined, reimagined, and refined to be better than ever. It's a slick, dynamic vehicle that marries clever design with driver-friendly simplicity.

And with ŠKODA Genuine Accessories, it's also one that can be tailored to your specific tastes. You can personalise your car with sporty wheels and other extras, or maximise your comfort and utility with intelligent transportation. Enjoy your ride, your way.

The ŠKODA SCALA honours our traditions while blazing a bright new trail. It's a car that reflects the individuality of whoever's behind the wheel: carrying you through the world with confidence and style – wherever you choose to go.

ALLOY WHEELS

CHOICES, CHOICES.

Some decisions are rewardingly difficult.

Do you make a statement with matt black? Stand out with platinum metallic? Or keep it strictly professional? Whatever your style, there will be an alloy wheel to match.

Prices shown are per wheel fitted. Tyres sold at additional cost.

- › Silver metallic brushed (654 071 498M 8Z8) **£201**

ŠKODA Genuine Accessories

ALLOY WHEELS

When it comes to checking the quality of our alloy wheels, we unapologetically put them through their paces. First they have to prove their resistance to corrosion, climatic influences and driving strain. Then the layer of heat-resistant paint is tested over and over for strength and durability.

Prices shown are per wheel fitted. Tyres sold at additional cost.

GET THE MOST IMPORTANT CAR INFORMATION ON YOUR MOBILE

ŠKODA Connect Lite is the intelligent, connected vehicle assistant. It connects you to your ŠKODA that you are constantly informed about your vehicle, your driving style and your trips. Connect Lite is the connectivity solution compatible with most models manufactured from 2008. ŠKODA Genuine Accessories

MYŠKODA

UNDERSTAND YOUR ŠKODA AND ITS SERVICE NEEDS

MyŠKODA shows you the most important information about your car, such as the mileage, fuel level, pending service intervals, current warning signs and lights and the appropriate explanations and recommendations for action.

TRIPS

MANAGE AND EXPORT YOUR DIGITAL LOGBOOK

Your digital logbook records all trips with start, destination, date, time, duration, distance and fuel costs per trip. You can analyse your driving style per each trip, display its statistics or export Electronic logbook for chosen time period.

STATISTICS

IMPROVE YOUR DRIVING STYLE AND SAVE FUEL AT THE SAME TIME

Your driving style will be examined more precisely from maximum drive efficiency. Acceleration, braking behaviour, speed, RPM and coolant temperature will be recorded and summarized for you at a glance in a graph.

ASSISTANCE

CONTACT THE 24-HOUR SERVICE HOTLINE

In case of a technical breakdown or even an accident, the app enables you to get in touch with the national 24-hour breakdown services at home or abroad, or the ŠKODA service hotline.

SAFETY

We manufacture our vehicles in a way ensuring you always arrive safely at your destination. That's why we take special care to choose the right child seats, dog safety belts and other accessories which can come into use in unexpected situations.

0-13 kg

Baby-Safe Plus child seat
(1ST 019 907) **£360**

ŠKODA Genuine Accessories

9-18 kg

ISOFIX Duo Plus child seat
(DDA 000 006) **£413**

ŠKODA Genuine Accessories

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

PRACTICAL AND VARIABLE

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

PERFECTLY VERIFIED

All our child seats comply with European safety regulations (EHK 44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.
