Karoq

Take it easy, take it anywhere

Introducing the Karoq.

Every journey can be the beginning of something. A valuable experience, a happy coincidence or a shared memory. And with the versatile Škoda Karoq, you can make those journeys comfortably. With its unmissable SUV styling, the Karoq is as practical as it is head-turning. Its proportions are underlined by a distinctive front grille and all-round protective elements. LED illumination and eye-catching alloy wheels complete the impressive exterior.

Step inside, and you'll be welcomed by customary Škoda offerings like spaciousness, all-you-can-have connectivity features and reassuring assistance systems. And for those of you looking for more adventurous detours, the Karoq also comes with an optional 4x4 drive.

That's Simply Clever. That's Škoda.

information

A landmark on any road

With its robust body with protective features and higher ground clearance, the Karoq invites you to venture off the beaten track. At the same time, its spacious design, sleek lines, and stylish wheels accentuate the car's ambition to be a great urban SUV.

Dynamic front design

The front view of the Karoq is characterised by the sharply cut headlights and integrated fog lamps.

Panoramic sunroof

This electrically adjustable panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button.

Full LED tail lights

The tail lights have been innovated both in terms of shape and technology. Fitted with animated turn indicators, they significantly improve the visibility of your car for other drivers. In addition, when you lock and unlock your car, the welcome effect activates the animation feature.

Models shown are not UK specification. Some of the equipment shown is optional.

 Build your own

Home from home

From ambient lighting to heated seating, the Karoq's premium interior features a host of intelligent elements that make you feel instantly at home.

Models shown are not UK specification. Some of the equipment shown is optional.

Virtual Cockpit
The Virtual Cockpit displays on-board computer specifications in combination with other information, such as navigation. You can choose from five layouts controlled via the View button on the steering wheel.

LED ambient lighting
The ambient lighting offers a choice of ten colour options for the dashboard and front and rear door lighting, meanwhile the front and rear foot area illumination comes in white.

Electrically adjustable front seats
The front seats are electrically adjustable and come with a memory function for the passenger comfort and convenience.

Tri-zone climate control
This intelligent system allows three autonomous thermal comfort zones to be set for the driver, front passenger and rear passengers.

Models shown are not UK specification. Some of the equipment shown is optional.

The great escape

Whether heading out on an urban adventure or embracing the extreme, the Karoq delivers all the performance you need. Simply buckle up your seatbelt, select your driving mode and see where the unknown takes you.

Four-wheel drive

The 4x4 system is designed to smoothly distribute the torque between front and rear axles automatically, to help you maintain control and stability.

Direct shift gearbox (DSG)

The seven-speed DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

Drive mode select

Featuring Normal, Sport and Eco mode, plus Individual mode to truly meet all your needs. All-wheel drive versions also offer an optional Off-road mode, designed specifically for low-traction conditions.

Innovation at every turn

Škoda Connect: take the online world with you

To be online fully and permanently means not only having access to entertainment and information, but also possible assistance while on the move. Škoda Connect, which includes Infotainment Online and Care Connect services*, is your gateway to a world of unlimited communication possibilities.

Škoda Connect

Real-time traffic updates. Remote Access* and vehicle control. Instant assistance service. Just a few ways Škoda Connect turns the Karoq into a fully interconnected car that's ready for everything life and the road has to throw at it. Download the MyŠkoda app to take full advantage, or [click here to learn more about Škoda Connect](#).

Images shown may not be UK specification. Some of the equipment shown is optional. * Remote Access is optional on all trims. ** For further information regarding wireless functionality, contact your Škoda partner. For usage terms and compatibility information for SmartLink, visit our website.

SmartLink

With the SmartLink, the car's infotainment system enables the driver to safely use the phone while driving. Plus, all installed applications that are certified as safe for vehicles are compatible with Apple CarPlay or Android Auto, which are also available wirelessly**.

Navigation system

The Amundsen satellite navigation with 8" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth® and Wi-Fi capability, it offers more connectivity on-the-go.

Emergency call

An SOS call is made automatically in the event of an emergency on the road. The system can also be activated manually by pressing the red button on the roof console. With the eCALL+ feature, information such as the vehicle's location or the number of people in the vehicle is provided to the first responders.

Highly accommodating

Maximising space has always been Škoda's way. It's why the car's flexible rear seats can be configured to your precise journey requirements, while the cleverly designed storage compartments and adaptable boot space ensures everything you need is always close at hand.

Spacious storage

Several spacious storage compartments have been included in the interior.

Simply Clever features

Karoq offers the well-known Simply Clever features clearly arranged in a single package. The package includes a net restraint system, cargo elements and a double-sided boot mat.

Jumbo box

Featuring reversible cup holders, the Jumbo Box will also store your gadgets, house keys and cards.

Foldable tables

Built into the backrests of both front seats, the foldable tables with drink holders can be used for more than just your refreshments.

Comfort is your co-driver

Indulge yourself even when driving. Modern technologies, remarkable roominess, and a host of practical details will turn your everyday journey into a luxury trip.

Models shown are not UK specification. Some of the equipment shown is optional.

Electrically folding tow bar
Activated by a switch in the boot, the Karoq's foldable tow bar ensures it is safely hidden when not required.

Virtual pedal
On-hand when none of yours are free. Simply use a 'kick motion' underneath the luggage compartment or use the key to effortlessly open the boot.

Rear-view camera
Hidden under the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

Front and rear ISOFIX seats
Enjoy more room to relax and play in the back with the generous knee and headroom that Karoq offers. ISOFIX connections on rear seats, as well as the front passenger seat also ensure younger passengers can travel safely.

Vehicle selector

Karoq uses a new way of configuration to build the car of your choice. The four categories below are an ideal starting point, simply click on the heading for more details.

1 Trims

First choose your trim.
SE Drive, SE L or SportLine?

SE Drive
Entry level trim raising the bar on comfort and safety.

SE L
The SE L offers unparalleled levels of value for money. The generous standard equipment provides all of the essentials required for any journey, all bundled up at a great price.

SportLine
Made for design, sportiness and enhanced technology. The range-topping model of the updated Karoq can immediately be recognised by the SportLine-typical black design features.

Sporty from any angle

They say there is no rest for the restless. But the Škoda Karoq SportLine is certainly a comfortable way to unleash your active ambitions. With sharp, sleek details both outside and in, it makes its athletic intentions crystal clear. And being the Škoda that it is, plenty of clever solutions, generous space and modern connectivity features ensure that you can now indulge your thirst for adventure in total comfort.

Models shown are not UK specification. Some of the equipment shown is optional. Foldable table on front seat backrests are not available on this trim. Glasses storage compartment is not available on this trim. SportLine includes fixed seating and rear boot cover (solid). Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Standard equipment

Black styling

The striking black radiator grille, door mirrors and roof railings give the SportLine's dynamic silhouette an edgier and sportier look. The SportLine logo sits proudly on both front wings.

19" Sagittarius anthracite wheels with matt black aero inserts

Sports steering wheel

The three-spoke heated Sport multifunction steering wheel in perforated leather with silver stitching puts everything you need at your fingertips.

Lights

The newly designed MATRIX LED headlights with adaptive front light system and cornering function give the driver maximum light without dazzling other road users.

Sports seats with Thermoflux®

The sports seats with contrasting silver stitch and revolutionary three-ply air-permeable Thermoflux® fabric let you know that you're sitting in something special.

Karoq SportLine

Recommended options

Winter Package Plus

Make cold winter days hassle free with heated front and rear seats, heated windscreen and heated washer nozzles.

Travel Assist Package

Make travel safer with this assistance package. It includes Adaptive Cruise Control with collision predictive function, front and lane assist, traffic jam assist, as well as traffic sign recognition. The package also includes a convenient USB-C port located near the rear view mirror for use with dash cameras.

Convenience Package*

Bring comfort to the next level with electrically adjustable front seats with a memory feature to adjust to each driver's preferred driving position.

Columbus Navigation System

Upgrade to the 9.2" touchscreen Columbus display to show you all the information you need.

Models shown are not UK specification. * Only available in combination with leather upholstery. Some of the equipment shown is optional. Foldable table on front seat backrests are not available on this trim. Glasses storage compartment is not available on this trim. SportLine includes fixed seating and rear boot cover (solid). Make your Karoq, your karoq

To give your Karoq a truly personal touch, pick from the following option packages and individual technology items.

 Build your own

Say hello to comfort

The car will make sure that you stay well-rested during the whole journey.

Convenience Package

Stepping in is a step up. You will be sitting comfortably every time you head off with the addition of the electrically controlled driver's seat with memory function.

Winter Package* and Winter Package Plus

Keep warm and cosy regardless of the weather with heated front seats, heated windscreen washer nozzles and headlight washers. Upgrade to the Plus version to add heated outer rear seats and a heated windscreen**.

Models shown are not UK specification. Some of the equipment shown is optional, please check options price lists for trim availability.
* Only available with 2-spoke leather steering wheel for SE Drive. ** Heated windscreen not available on 1.0 TSI 110PS engines.

Performance Package

Enjoy the high performance of your car in maximum comfort and safety. The Dynamic Chassis Control (DCC) continuously evaluates and responds to various driving situations (braking, acceleration, turning) and adapts the steering characteristics. The 4x4 variants will also benefit from Hill Ascent/Descent Control, Driving-Off Assist and Snow Mode. As part of the infotainment menu, it allows you to select one of three modes according to your specific requirements: Comfort, Normal or Sport. This package also includes aluminium pedals that transform the feel of the car.

Eye-catching

If you are looking to express yourself, these packages are the perfect choice.

Models shown are not UK specification. Some of the equipment shown is optional, please check options price lists for trim availability.

Design package

Accentuate the details with window surrounding aluminium bars and chrome roof rails that perfectly follow the contours of the vehicle. The aluminium door sill covers with Karoq inscription, which welcome you when entering the vehicle, are an original feature with aesthetic as well as practical functions.

Light package

LED Matrix headlights

The star feature of this generous package – the full LED Matrix headlights – allow you to use the high beams continuously, without blinding other drivers. These headlights are not only a striking design element, but also, and most importantly, they are a safety feature.

Ambient lighting

What's more, the package also includes interior ambient lighting that lets you set the scene with 10 different colour options, front and rear footwell lights and front reading lights.

Always connected

Your gateway to a world of unlimited communication possibilities.

Amundsen Plus Package

Alongside the standard Amundsen 8" infotainment display, the upgrade to Plus package includes a virtual cockpit, which can display onboard computer specifications in combination with other information and offers five layouts with specific graphics controlled via the View button on the steering wheel. The bundle also includes integrated WLAN, web radio and a wireless charging feature so you can charge your phone on the go.

Columbus Package

Take the in-car infotainment to the next level by upgrading to the Columbus package. It features an attractive 9.2" glass touchscreen infotainment display accompanied by a virtual cockpit. Wireless charging, built-in WLAN and web radio are also included in the bundle.

Models shown are not UK specification. Some of the equipment shown is optional, please check options price lists for trim availability.

Safe happens

Embark on any adventure with complete confidence – with these smart assistance systems you'll be safer at every turn.

Models shown are not UK specification. Some of the equipment shown is optional, please check options price lists for trim availability.

Parking package

This package includes front and rear parking sensors to alert you of any obstacles at speeds of up to 8 km/h, meanwhile the rear view camera makes light work of reversing or manoeuvring tight spaces.

Travel Assist package

To make travelling safer with the Travel Assist Package. The adaptive cruise control uses a radar device in the front grille, which operates at up to speeds of 210 km/h, to maintain a safe distance from vehicles in front of you. The traffic jam assist controls the engine, brakes, and steering, to make the vehicle pull away, brake, and turn to copy the movement of the surrounding vehicles (at speeds of up to 60 km/h). The lane assist system is capable of keeping the car in the middle of the lane and alert the driver in case of deviation. The Traffic Sign Recognition uses the camera in rear view mirror to scan the traffic signs on the current stretch of the road and notify the driver. The system is able to identify signs on both the left and right side, as well as above the road. Moreover, it is also able to identify variable traffic signs (electronic information boards). A handy USB-C port for the rear view mirror is also included.

VED (Vehicle Excise Duty) from 1st April 2023

VED Band	CO ₂ (g/km)	Petrol car/diesel car* (tax class 48 and 49) 12 months	Diesel car** (tax class 49) 12 months	Alternative fuel car (tax class 59) 12 months
A	0	£0	£0	£0
B	1-50	£10	£30	£0
C	51-75	£30	£130	£0
D	76-90	£130	£165	£120
E	91-100	£165	£185	£155
F	101-110	£185	£210	£170
G	111-130	£210	£255	£200
H	131-150	£255	£645	£245
I	151-170	£645	£1,040	£635
J	171-190	£1,040	£1,565	£1,030
K	191-225	£1,565	£2,200	£1,555
L	226-255	£2,220	£2,605	£2,210
M	over 255	£2,605	£2,605	£2,595

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards.

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £390 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK calculation example

Based on Karoq SE Drive 1.0 TSI 110PS		
P11D value		£28,055.00
Company car BiK tax based on CO ₂ emission level		31%
Taxable BiK (for 2023/2024 tax year):	31% of £28,055.00	£8,697.05
Annual company car tax (2023/24)		
20% income tax	20% of £8,697.05	£1,739.41
40% income tax	40% of £8,697.05	£3,478.82
Monthly company car tax (2023/24)		
20% income tax	£1,739.41 divided by 12 months	£144.95
40% income tax	£3,478.82 divided by 12 months	£289.90

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2023/2024.

* Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st June 2023. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see [skoda.co.uk/owners/wltp-info](https://www.skoda.co.uk/owners/wltp-info) or consult your retailer.

** This engine is available from stock only. Please check availability with your local Škoda retailer.

Additional information

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car’s value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new Škoda on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply, Škoda Financial Services.

Škoda Car Insurance

Complimentary Škoda Drive Away Insurance

Every new and Approved Used Škoda comes with five days’ complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. Škoda Drive Away Insurance is designed specifically for your Škoda and guarantees that your car will be repaired in a Škoda Approved Repairer. Speak to your Škoda Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Škoda Car Insurance offers.

Read on for more details.

Škoda Car Insurance

Škoda Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Škoda. Just as you’d expect from Škoda, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a Škoda driver.

Get a quote or find out more at [insurewithskoda.co.uk/car-insurance](https://www.insurewithskoda.co.uk/car-insurance)

Alternatively, call us on **0345 246 9091**. Lines are open 8am–8pm Monday to Friday and 9am–5pm Saturday.

Škoda Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited (“VWFS UK”), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Škoda Gap Insurance

What is Škoda Gap Insurance?

If your Škoda is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Škoda or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

Škoda Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your Škoda or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, Škoda Gap Insurance will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

Škoda Gap Insurance Plus

In addition to all the benefits of Škoda Gap Insurance, the Škoda Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, Škoda Gap Insurance will pay a fixed sum of £2,500.

Why choose us?

Škoda Gap Insurance gives you the financial protection your Škoda deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement Škoda.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about Škoda Gap Insurance, please speak to your nearest participating Škoda Retailer or go online www.insurewithskoda.co.uk/gap-insurance

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited (“VWFS UK”). Registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR.

Škoda Gap Insurance is administered by Car Care Plan Limited and underwritten by Motors Insurance Company Limited. VWFS UK is not part of the same corporate group as Motors Insurance Company Limited and Car Care Plan Limited.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won’t be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a Škoda Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost Škoda Financial Services.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your Karoq, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.
