

SKODA

All-New Superb

Effective: 14th March 2024

All-New Superb

Introducing the all-new Škoda Superb.

The all-new Superb is the ideal companion for going the distance in comfort and style. It ticks all the boxes for practicality, spaciousness, and prestige, with an interior that reaches new heights of luxury.

A spacious centre console, customisable Škoda Smart Dials, and sustainably curated upholstery help make the Superb a car truly deserving of its name.

Commands attention from every angle

Authenticity, precision and purpose. The all-new Superb's conveys each of these in style. The perfectly balanced exterior proportions, sharp lines and smooth body combine harmoniously to create a strong yet subtle design.

Headlights

The LED Matrix headlights of the all-new Superb can detect a car in front of you or in oncoming traffic. Based on this, the high beam adjusts itself incrementally. This ensures you get the best view without blinding other drivers.

Rear LED lights

The full LED rear lights are fitted with dynamic indicators, revealing where the driver is about to turn with a sense of vibrancy. The rear lights also feature an actively illuminated side section, extending the eye-catching design even further.

Panoramic Sunroof

This electric panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button.

Innovation with intent

The interior of the all-new Superb combines style and simplicity with smart solutions and intuitive controls. The virtual cockpit and 13" infotainment display give an immediate sense of ease and luxury.

The DSG gear selector is positioned on the steering column, allowing for a generous centre console. Above which you'll find customisable Škoda Smart Dials, which combine physical dials and digital displays to intuitively access a range of vehicle functions.

Virtual cockpit

Put all the information you need right in front of your eyes with the customisable 10.25" digital display, which can be customised with three views.

Models shown are not UK specification. Some of the equipment shown is optional.

Škoda Smart Dials

Combining practical haptic control with innovative digital technology. The two outer Smart Dials allow for easy function of the interior temperature, seat heating and ventilation. Whilst the centre dial can control up to four other functions, such as driving modes, map zoom, and speaker volume.

Massage seats

Fitted as standard, massaging seats ensure even long journeys are driven in comfort with three different massage programmes. The advanced massage function adds even greater refinement with eight programmes and over triple the amount of seat adjustments. Both levels of massage function include three intensity options.

Wireless charging

Arrive at your destination ready to go with a fully-charged smartphone. Simply place your compatible smartphone on the wireless charging pad to start receiving power. Plus, the cooling function will help prevent your phone from overheating.

CANTON sound system

Set the perfect tone for every journey with this set of 12 speakers and digital equaliser. Created in collaboration with German audio experts CANTON, you can be confident every album, radio show or podcast will be pitch perfect as the system has been fine-tuned to suit the all-new Superb's interior.

Hidden strength

The bold styling of the all-new Superb might capture your attention, but it's the drive that will capture your imagination. Beneath the bonnet, you'll find a sturdy direct-injection turbocharged engine. Available in a range of plug-in hybrid, petrol, and diesel versions, the choice is yours. Reliable, economical, and a joy to drive.

Models shown are not UK specification. Some of the equipment shown is optional.

Dynamic chassis control plus

This innovative system ensures the car's suspension is constantly adaptive to suit the road and driving conditions. Using two independently controlled valves, drivers and passengers will notice enhanced driving dynamics and increased comfort.

Designed for efficiency

The all-new Superb was created with aerodynamics in mind, with a streamlined roofline, air curtains in the front bumper, and an active shutter behind the central front air intake.

The power to choose

Whether you favour plug-in hybrid, petrol or diesel, you'll find a highly efficient engine to suit your needs. All options are mated to a DSG automatic transmission.

By enabling you to be fully online on the move, the all-new Superb helps you stay connected wherever your adventure takes you. From finding the best route to viewing your vehicle data, locking and unlocking the doors to viewing where you last parked, you have full control in the palm of your hands.

With the plug-in hybrid Superb iV, you can control battery charging in the palm of your hand. You can not only track charge status, but also set a pre-determined charging time to help with off-peak charging.

The 13" touchscreen, virtual cockpit and head-up display offer a range of ways to view navigation information whilst keeping your focus on the road ahead.

Activated by pressing a red button placed in the roof headlining, Emergency Call provides immediate contact with the emergency services. In the event of a crash, the call is made automatically to ensure you get the help you need.

Always fit for purpose

With an exceptional amount of boot space, the all-new Superb helps you make the most of every cubic centimetre thanks to a host of beautifully functional, innovative features.

Electric sliding parcel shelf

On the estate variant, as the electrically operated boot opens, the parcel shelf automatically slides away, allowing for easy access to all the items in your boot.

Jumbo box

The Jumbo Box is extremely handy for storing your gadgets, house keys and display cleaner. It is also home to a useful 12V socket.

Bottle holder

You will find a 1.5-l bottle holder in a spacious compartment in both the front and rear doors.

 Build your own

Fill your boots

With one of the best luggage capacities in its class, you'll never have to compromise on what you pack. The Estate offers an impressive capacity of 690 litres, which extends to 1,920 litres with the rear seats folded down. That means ample room for all your business, pleasure and practical essentials.

Models shown are not UK specification. Some of the equipment shown is optional.

Big on thoughtful touches

Beyond just offering great value, the all-new Superb comes packed with lots of our 'Simply Clever' features that make life easier. An umbrella and ice-scraper with their own built-in compartments. Hidden storage for your valuables. Small details that make a big difference.

Virtual Pedal

On-hand when none of yours are free. Simply use a 'kick motion' underneath the luggage compartment to open the boot.

Models shown are not UK specification. Some of the equipment shown is optional.

Umbrella storage

A spot of rain will never dampen your spirits again thanks to the umbrella located in the front doors.

Ice scraper

Be prepared for winter wherever you've been parked, with Skoda's famous ice scraper behind the fuel filler cap.

Tablet holder

Rear passengers can amplify their relaxation or focus on their work with a tablet holder in the rear armrest.

Screen cleaner

Keep your infotainment screen fingerprint free with a microfiber screen cleaner with integrated cleaning fluid.

Looking out for your safety

Safety is part of Skoda's DNA, and the all-new Superb is no exception. Loaded with a whole host of active and passive driver assistance systems as standard.

On the look out

With a host of camera and radar-based assistance systems making continual assessments, you'll have peace of mind - wherever you're driving.

Build your own

Blind spot detection

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely. An acoustic warning will also sound if the vehicle's door is opened that could collide with a vehicle, cyclist, pedestrian or electric scooter.

Turn assist

When the vehicle is turning, sensors in the front of the vehicle detect oncoming vehicles and brakes if needed to prevent a head-on collision.

Park assist

This function removes the stress of bay and parallel parking by identifying if the parking spot is big enough before automatically steering into the space.

Lane assist plus

Helping you stay in the intended lane of travel, lane assist plus uses a camera to detect road markings, and supports steering if you veer too close to the edge.

Adaptive Cruise Control

Control your speed automatically with Adaptive Cruise Control, which uses the radar in the front grille to maintain a constant distance from the vehicle in front at speeds of 15mph or more. It also uses traffic sign recognition and GPS technology to adjust the cruise speed when necessary - typically before a turn or roundabout, or when entering an area with a lower speed limit.

13" touchscreen display

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Recommended Options

Experience even greater levels of comfort with microsuede and artificial leather upholstery, with mustard stitching.

Make parking as simple as possible with park assist with trained parking. Also includes area view.

All passengers can stay warm, even in the cold British winter. Includes heated front and rear seats, steering wheel, windscreen and washer nozzles.

Enhance the exterior style of your Superb.

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

*The seat upholstery consists of a combination of genuine and synthetic leather. The seat cushion, centre panel and backrest of the front row seats and the seats on the left and right of the second row are made from genuine leather.

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Add a selection of our Simply Clever features to make your Superb as comfortable as possible for all. Includes rear side headrests, blanket, rear side airbags, sunblinds for rear window (hatch only) and rear side windows, tablet holder for rear seats, and a waste bin in the door.

Superb Laurin & Klement

If the all-new Superb wasn't prestigious enough, the Laurin & Klement trim will have you raising your standards all over again.

Models shown are not UK specification. Some of the equipment shown is optional. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Standard equipment

Exterior enhancements

An exclusive dark chrome grille, dark chrome rear diffuser strip and Laurin & Klement logos.

18" Belatrix anthracite aero alloy wheels

With Superb L&K style comes as standard.

Advanced massage function

Driver and front seat passenger can enjoy a relaxing massage, with ten inflatable massage bags, eight programmes and three intensity levels.

Park assist

Protect your Superb when parking, by allowing the car to park itself.

L&K Suite Black Design Selection

A sophisticated interior comprised of leather and artificial leather* with Laurin & Klement detailing. Also available in Cognac.

Superb Laurin & Klement

Recommended Options

19" Veritate silver alloy wheels

Elevate the look of your Superb even further.

Head-up display

Keep your focus on the road ahead, whilst being shown crucial driving and navigation information.

Panoramic sunroof

Open up the cabin with sunlight and fresh air.

Models shown are not UK specification. Some of the equipment shown is optional. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

* The seat upholstery consists of a combination of genuine and synthetic leather. The seat cushion, centre panel and backrest of the front row seats and the seats on the left and right of the second row are made from genuine leather.

Loft

Design Selection

The second you take your seat you'll feel at home. It's not a coincidence, as the timeless combo of grey and black is inspired by a stylish living room, as are all the Design Selection interiors. Durability also reigns supreme, with easy to clean materials featured throughout.

Loft interior

Grey fabric upholstery sets the tone for an elegant, modern style. The dashboard is complemented by grey fabric with stitching, while the polished black décor on the dashboard and doors adds a striking contrast. Black floor mats and fabric door inserts complete the look.

You'd struggle to find a more fitting name for this design selection than Lounge. After all, everything about this strikingly detailed interior has been crafted to make you and your passengers simply want to sit back and relax.

The upholstery features a combination of microfibre with a soft suede finish, while the dashboard is complemented by a microfibre pad with distinctive mustard stitching. Other design touches includes the 'Tactile Lines' décor on the doors and dashboard, and black floor mats.

First impressions count. With this premium interior design selection they'll count for more thanks to the inclusion of soft black leather* throughout which ensures you'll always travel in luxury and style.

Accompanying the seat upholstery is a range of carefully considered design touches. Black artificial leather extends over the dashboard and doors, partnered with a 'Melange Grey' décor.

Ambient lighting and unique dark chrome strips add to the luxurious look, whilst seat heating, cooling and massaging ensures you'll travel in pristine comfort all year round.

Models shown are not UK specification. Some of the equipment shown is optional.

The notion of luxury extends even further in the all-new Superb, with the option of cognac leather*. Designed with sustainability in mind, the cognac colour comes from a tanning process using waste water from olive production.

The Suite Cognac interior mirrors that of Suite Black, but with a 'Swan Drawing' décor that has been expertly matched with the brown tones of the upholstery.

Models shown are not UK specification.

* The seat upholstery consists of a combination of genuine and synthetic leather. The seat cushion, centre panel and backrest of the front row seats and the seats on the left and right of the second row are made from genuine leather.

The L&K Suite Black interior builds on its non-L&K variant, adding premium touches. The headrests are adorned with embossed lettering denoting the names of Skoda's founders: Laurin & Klement. Kida Décor complements the black upholstery, to curate a luxurious space to enjoy every single journey.

*The seat upholstery consists of a combination of genuine and synthetic leather. The seat cushion, centre panel and backrest of the front row seats and the seats on the left and right of the second row are made from genuine leather.

The Superb L&K can also be curated with a sustainability-focused cognac interior, the colour from which comes from waste water from olive production. Paired with a Kida décor, the Suite Cognac interior enhances the Superb L&K to the next level.

Pricing valid as of 14th March 2024.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1st April 2023. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1st April 2023.

From 6 April 2020, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges whic apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator **here**.

L	226-255	£2,220	£2,605	£2,210
M	over 255	£2,605	£2,605	£2,595

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £390 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK calculation example

Based on Superb Hatch SE Technology 1.5 TSI e-TEC 150PS DSG		
P11D value		£34,610.00
Company car BiK tax based on CO ₂ emission level		29%
Taxable BiK (for 2023/2024 tax year):	29% of £34,610.00	£10,036.90
Annual company car tax (2023/24)		
20% income tax	20% of £10,036.90	£2,007.38
40% income tax	40% of £10,036.90	£4,014.76
Monthly company car tax (2023/24)		
20% income tax	£2,007.38 divided by 12 months	£167.28
40% income tax	£4,014.76 divided by 12 months	£334.56

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2023/2024.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

** Please note, if a tow bar or tow bar preparation is not fitted on the car, the VIN plate may not show any towing weights and the car will never be eligible for towing. As such it may not be possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your Retailer to confirm the exact towing eligibility.

Additional information

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car’s value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

- 1. Part exchange your car for a new Škoda on a Solutions contract.
- 2. Pay the optional final payment to own the car.
- 3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply. Škoda Financial Services.

Škoda Car Insurance

Complimentary Škoda Drive Away Insurance

Every new and Approved Used Škoda comes with five days’ complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. Škoda Drive Away Insurance is designed specifically for your Škoda and guarantees that your car will be repaired in a Škoda Approved Repairer. Speak to your Škoda Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Škoda Car Insurance offers.

Read on for more details.

Škoda Car Insurance

Škoda Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Škoda. Just as you’d expect from Škoda, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a Škoda driver.

Get a quote or find out more at insurewithskoda.co.uk/car-insurance

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

Škoda Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited (“VWFS UK”), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won’t be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with

pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule.

All work must be carried out at a Škoda Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost Škoda Financial Services.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your Superb, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Roadside assistance

A three year, European-wide, unlimited mileage Škoda Assistance policy comes free of charge with every new Škoda. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Škoda Roadside Assistance 24-hour helpline: 0330 100 3243.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local Škoda Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, open Monday to Sunday from 8am-10pm.

A network that's here to help

You can be sure that as a Škoda customer, your retailer will look after you from the moment you walk through the door and throughout the life of your Škoda. Your Superb will be serviced and maintained by specially trained Škoda technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the Škoda network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Enhanced Rate of the Mobility Component of Personal Independence Payment (PIP), Higher Rate Mobility Component of Disability Living Allowance (HRMC DLA), War Pensioners' Mobility Supplement (WPMS), Armed Forces Independence Payment (AFIP), Higher Rate Mobility Component of the Child Disability Payment (CDP), or Enhanced Rate Mobility Component of the Adult Disability Payment (ADP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local Škoda Retailer.

Warranty

Peace of mind with a Škoda warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your Superb also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply

Owning a Škoda

Three-year vehicle warranty from new

First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates

and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: **skoda.co.uk/owners/accessories-and-merchandise**

Figures for the Škoda range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 19th February 2024. Choice of wheels and other options may affect fuel consumption and emissions data.

For more information, please see [skoda.co.uk/owners/wltp-info](https://www.skoda.co.uk/owners/wltp-info) or consult your retailer

Škoda UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen Škoda Retailer.
